RE: The Links at Coyote Wash Utilities, LLC

Customer said that she is opposed to the proposed rate increase. Curtis Development does not have enough people to support this water company so it will be making those 25 members in this community pay for this proposed rate increase. Customer believes that Curtis Development had many opportunities to sell more homes before the market fell off.

Another thing, customer said that The Links at Coyote Wash Utilities, LLC should take the extra money they are making letting others dump their sewage into The Links at Coyote Wash Utilities, LLC sewer system. This money could conceivably lower the amount of money the company is asking within its proposed rate increase.
