

**ORIGINAL**  
**REVISED NEWMAN PROPOSED AMENDMENT NO. 5**

TIME/DATE PREPARED: December 6, 2010

COMPANY: UNS Electric, Inc.

AGENDA ITEM NO. 12

DOCKET NO(S). E-04204A-10-0265

OPEN MEETING DATE: 12-06-10

Page 15, line 14, INSERT New Finding of Fact: "The Commission is concerned that UNSE residential ratepayers are paying disproportionately more into the REST fund relative to their energy consumption than the larger consumers of energy, such as the industrial and mining ratepayers. The Commission believes there are potential benefits to not only UNSE and its customers, but to other electric public service corporations and their customers, to conduct a workshop to explore reasonable alternatives concerning the manner in which customers share funding support for REST surcharges."

Page 18, line 3, INSERT New Ordering Paragraph: "IT IS FURTHER ORDERED THAT UNS Electric, Inc. shall, by May 31, 2011, conduct workshops with other electric public service corporations and stakeholders concerning reasonable alternatives for the equitable distribution of REST surcharges among customer classes and UNS Electric, Inc. shall file a proposal regarding this issue in its 2012 REST Implementation Plan."

MAKE ALL CONFORMING CHANGES.
