RE: Global Water: Low Income Relief Tariff: Decision 71878
Docket No: SW-20445A-09-0077, W-02451A-09-0078, W-01732A-09-0079
W-20446A-09-0080, W-02450A-09-0081, W-01212A-09-0082

Dear Commissioners:

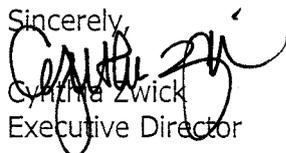

On behalf of the Arizona Community Action Association (ACAA), I would like to express our support for the Global Water Low Income Relief Tariff Program as presented. We recently met with Global Water, and we are excited to be the administrator for this program.

Due to the current state of the Arizona economy, the record high level of unemployment, the number of jobs that do not pay a living wage, among other factors, more and more individuals and families are seeking assistance with their utility bills. The Low Income Relief Tariff program will be the first water bill assistance program statewide, and will complement our other energy programs to assist Arizonans facing a crisis.

We commend Global Water and their leadership for developing the first water bill assistance program in the State of Arizona and the Commission and staff's support of the program.

We look forward to our partnership with Global Water and to administering the Low Income Water Relief Tariff Program.

If you have any questions or need any additional information from me, please do not hesitate to contact me at (602) 604-0640.

Sincerely,

Cynthia Zwick
Executive Director
