Honorable John McCain:

I am writing to you in regard to the Goodman Water Rate Increase, Docket # w-02500A-10--0382 involving Goodman water company. They are asking for an additional 53% rate increase. Your help is enlisted to help prevent them from being able to pass this. I feel that as a home owner in Eagle Crest that Goodman Water is taking full advantage of us when we have no other option but to obtain our water from them. Seems like they are being quite unfair and also under handed with the way they have sold the property but then require that our water be purchased through them. It is not right that less than 300 homes are to be help responsible for the entire costs of the water, when Tucson has thousands of homes to incur the costs. Their constantly raising their fees and rates must stop. Controls need to be put on them, otherwise give us the option to hook up with water through another company.

sincerely,
susan Jost
