*****OPINION OPPOSED*****

RE: Docket No. G-01551A-10-0458

Customer read an article in regard to SWG being in the process of requesting a rate increase. Customer is calling the Commission to express his opposition with such request and states SWG does not need an increase if the Company can afford to give thousands of dollars to charities. Per customer, if SWG was really struggling they would not be donating money as if they had plenty to spare.

Customer respectfully requests SWG request be denied.
