Page 82, line 15.5 INSERT: "Also, in their comments, parties asserted that the topic of rate consolidation should occur where all of Arizona-American's systems are being considered, which would allow for full consideration of all the consolidation options and rate impacts. In the instant proceeding, most, but not all, systems are being considered. In light of party comments, we believe it is appropriate to order the Company to develop a consolidation proposal that includes all of its systems, as well as all of its systems without Sun City, and to file those consolidation proposals in a future rate application."

INSERT NEW ORDERING PARAGRAPH:

"IT IS FURTHER ORDERED that the Company shall develop a consolidation proposal that includes all of its systems, as well as all of its systems without Sun City, and shall file those consolidation proposals in a future rate application."
