REPLACE WITH:

“Good public policy requires the Commission to correctly assign cost responsibility for all ratemaking components in as expeditious manner as possible, and deconsolidation of Anthem/Agua Fria Wastewater District is consistent with such action. However, the record does not include adequate rate base or operating income information to immediately implement stand-alone rate designs for the resulting Anthem Wastewater District and Agua Fria Wastewater District at this time. Therefore, we will (i) approve the rates adopted herein for Anthem/Agua Fria Wastewater District as a consolidated district on an interim, and (ii) order the docket in the instant proceeding to remain open to consider the design and implementation of stand-alone revenue requirements and rate designs for the Anthem Wastewater District and Agua Fria Wastewater District as soon as possible.”
