RE: WORKSHOP: COMPLIANCE WITH DECISION NO. 71878  
(DOCKET NO. W-00000C-06-0149)

The second in a series of workshops to comply with the investigation ordered in Decision No. 71878 will be held on Friday, January 14, 2011, at 10:00 a.m., in the Arizona Corporation Commission ("Commission") Hearing Room, 1200 West Washington Street in Phoenix.

Decision No. 71878 orders stakeholders, including the Commission Staff ("Staff") and Global Utilities, to commence a generic investigation which looks at how best to achieve the Commission's objectives with regard to encouraging the acquisition of troubled water companies and the development of regional infrastructure where appropriate.

Specifically, the workshops are to include addressing the appropriateness of available mechanisms such as the Distribution System Improvement Charge ("DSIC"). The subject of this second Workshop will be discussion of the DSIC mechanism.

Staff encourages all interested parties to submit written comments before the Workshop, if possible. If this is not possible, please prepare written comments and bring them to the workshop on January 14, 2011. Staff also invites any parties interested in making a brief presentation at the Workshop to submit a proposal, including a description of the specific topic and estimated length of the presentation. Please file an original and 13 copies of your comments or proposal with the Commission's Docket Control Center, 1200 West Washington Street, Phoenix, Arizona 85007. Please reference Docket No. W-00000C-06-0149 on all filings. An agenda for the Workshop is attached.

Parties who wish to be added to the service list in this docket should send notice of their interest, including a mailing address and an e-mail address, to Docket Control. Staff welcomes and appreciates the input of all interested parties. Please address any questions you may have regarding this matter to Nancy Scott (602) 542-0743 or Elijah Abinah (602) 542-6935.
