**RE: Electric Restructuring - Stranded Cost  
Docket No. U-00000-94-0165**

DOCKETED BY *[Signature]*

Dear Commissioner Kunasek:

I received your letter dated June 1, 1998, in which you requested that I respond to a few questions regarding Staff's proposal for electric restructuring, specifically:

- Whether a representative of Citizens met with Staff to discuss the Staff proposal;
- Whether any assurances were given at that meeting that the proposal has Commission support; and
- Whether Citizens is aware of other parties that have similar meetings.

It is my understanding that in the early part of May, Carl Dabelstein, Citizens' Vice President of Regulatory Affairs, attended a meeting where Staff's proposal for Electric Restructuring was presented by Mr. Rose, the Commission's Executive Secretary. Mr. Dabelstein told me that Mr. Rose indicated that he had the unanimous support of the Commissioners for Staff's proposal. Finally, I understand that Staff held similar meetings to discuss its proposal with other stakeholders in retail electric competition.

Mr. Dabelstein is out of town until June 11, 1998, and will not be attending tomorrow's Special Open Meeting. If you do have any further questions, I will be in attendance at tomorrow's special open meeting.

Very truly yours,

*Craig A. Marks*
