RE: March 1, 1999 joint filing of issues still needing resolution
Docket No. RE-00000C-94-0165

Dear Mr. Rudibaugh

This is to confirm our conversation today regarding the March 1, 1998 joint filing of issues still needing resolution after the Commission proceeds with further amendments to the Rules and any amendment of Decision No. 60977. You indicated that you intend to move the date of the filing (currently February 24, 1999 for parties to file with RUCO and the Attorney General, and March 1, 1999 for RUCO and the Attorney General to file the joint filing) by whatever amount of time there is between February 17, 1999 and the date the Commission considers the Recommended Orders on Rules amendments and amendment to Decision No. 60977.

If my understanding of our conversation is incorrect, please notify me at (602) 279-5659 ext. 349.

Thank you,

Scott S. Wakefield
