Line 18:

INSERT: "After consideration of the Exceptions to Staff's Proposed Order filed by Mohave on January 7, 2011, Staff has recommended that the definition of Annual Average Avoided Cost in Mohave's Schedule NMS be clarified to read:

'Annual Average Avoided Cost means the average annual wholesale fuel and energy costs per kWh charged by the Cooperative's wholesale power supplier(s) during the Calendar Year, determined based upon the Cooperative's audited financial statement for the applicable Calendar Year. The Cooperative will submit an updated Net Metering Service Tariff to the ACC no later than July 15 each year for approval of the Annual Average Avoided Cost. The current avoided kWh cost, once approved by the ACC, will be available at every Cooperative office and will continue in effect until the next AAAC is approved by the ACC.'
