Page 17, line 21

INSERT new Finding of Fact:

“We will tentatively approve a “marketing and outreach” budget for APS of \$4.3 million, but in light of the long waiting lines for residential and non-residential distributed systems, we will require APS to spend no more than half of its marketing and outreach budget before July 1, 2011. If funding for residential PV systems is exhausted on or before June 30, 2011, APS shall reallocate seventy-five percent of the funds remaining in its marketing and outreach budget to supplement the \$2.5 million budget for its Rapid Reservation program. As stated above, any excess funds in the Rapid Reservation program that have not been committed by September 30, 2011 will revert to regular residential incentives for use on or after October 1, 2011.”
