DOCKETED

RE: Docket Number W-02678A-10-0303
Procedural Order received January 13, 2011

JAN 21 2011

To Whom It May Concern:

Since the debt incurred has a repayment period of twelve months, A. Petersen Water Company, Inc. does not feel the debt requires Commission approval. A. Petersen would like to note that the debt is directly related to operating expenses and the information contained in the financing docket should be considered in the permanent rate case docket. Therefore, A. Petersen recommends consolidating the financing docket and the permanent rate case docket. Thank you.

Thomas Grapp
