RE: IN THE MATTER OF THE APPLICATION OF NATIONAL PUBLIC PHONE CO.
FOR APPROVAL TO CANCEL THEIR CERTIFICATE OF CONVENIENCE AND
NECESSITY (DOCKET NO. T-02946A-10-0405)

On October 5, 2010, National Public Phone Co. ("NPPC" or "Applicant") filed an Application with the Arizona Corporation Commission ("Commission") to cancel its Certificate of Convenience and Necessity ("CC&N") to provide customer owned pay telephone ("COPT") service. The Commission granted NPPC a CC&N to provide COPT service in Decision No. 59729, dated June 26, 1996.

Staff contacted the Applicant and verified that he is the authorized person that made the Application. The Applicant stated that NPPC has not done business in Arizona since 2007. The Applicant has waived his right to a hearing and has waived his right to receive notice of a hearing in order to cancel the CC&N.

The Compliance Section of the Utilities Division reports that NPPC does not appear in the Compliance Database regarding a Compliance requirement. There appears to be no trackable compliance items or delinquencies for NPPC. The Applicant is in compliance with the Commission at this time.

The Consumer Services Section of the Utilities Division reports that there have been no complaints, inquiries, or opinions filed against NPPC through October 14, 2010. Consumer Services also reports that the Corporations Division does not show NPPC as being incorporated.

Staff recommends that the Application to cancel the CC&N be approved. Upon cancellation of its CC&N, the Applicant will not be authorized to provide COPT telecommunications services in the state of Arizona and therefore, will not be subject to any of the requirements of Decision No. 59729.
