DOCKETED BY

Dear Mr. Olea,

WS-04235A-04-0074

Pursuant to decision #67446 and in Docket #WS-04235A-04-0073 Utility Source LLC has maintained a \$250,000 Performance Bond. Said bond is current and due for its' annual renewal. Utility Source would respectfully request that the Arizona Corporation Commission considers eliminating the requirement for Utility Source to maintain said bond.

Utility Source is currently in compliance and has been in compliance with Decision #67446 from the date of January 4, 2005.

Utility Source collects and holds minimal security deposits currently totaling \$11,180.00. Utility Source is not borrowing any money and has no intention of borrowing any money in the future.

With the rising cost of electric power and other maintenance costs, it would be a great benefit to Utility Source to reduce its expenses by eliminating the Performance Bond which we believe to be an unneeded expense. Thank you for your consideration in this matter.

Sincerely,

Lonnie C. McCleave  
Utility Source
