ARIZONA CORPORATION COMMISSION
DOCKET CONTROL

In Decision No 71943, dated November 1, 2010, the Arizona Corporation Commission (“Commission”) ordered the Utilities Division Staff (“Staff”) to review the Water Infrastructure Finance Authority loan emergency surcharge tariff of Mirabell Water Company (“Mirabell” or “Company”) and Docket a Compliance Memorandum:

- 1) Confirming that the amount of the emergency surcharge calculated by the Company is correct.
- 2) Verifying that Mirabell has:
 - Filed its 2009 and 2010 Corporations Division annual reports.
 - Obtained its Certificate of Good Standing from the Corporations Division.
 - Filed its 2008 Utilities Division annual report.
 - Filed copies of all executed financing documents within 30 days after date of execution.
 - Notified its customers of the estimated amount of emergency surcharge, and its anticipated effective date, by means of a bill insert.
 - Posted a performance bond or similar financial instrument in the amount of \$10 and provide the original to business office within 30 days.

Staff has determined that the emergency surcharge calculated by the Company is correct and that all the above bulleted items have been completed. Consistent with Decision No. 71943, Mirabell’s emergency surcharge becomes effective with Staff’s filing of this Compliance Memorandum.
