Re: *Report Regarding Layoff of AT&T Employees in Arizona Pursuant to Decision No. 68865; Docket Nos. T-02428A-06-0203, T-03016A-06-0203, T-03116A-06-0203, T-03287A-06-0203, T-03346A-06-0203*

Dear Mr. Olea,

On behalf of AT&T Inc. ("AT&T"), the purpose of this report is to provide further information regarding two (2) AT&T employees located in Arizona that were given notice of a surplus condition. AT&T notified the Commission of the potential layoffs on October 22, 2010. No facility closure was involved. This report is provided pursuant to the third ordering paragraph of Decision No. 68865.

The layoff being considered was intended to improve efficiencies and reduce business expenses. The proposed reduction involved two management employees in the AT&T Managed Services and Operations organization. In an effort to redeploy the employees within AT&T, the employees retained access to the internal AT&T job search system. One employee located another position within AT&T and one employee was not able to locate another position and thus was laid off. If you have any questions regarding this report, please feel free to contact me at (512) 870-2280.

Very truly yours,

Sharon Mullin
Director
AT&T Services, Inc.
