RE: **ADMINISTRATIVE CLOSURE – GENERIC INVESTIGATION ON INDUSTRY PETITION FOR APPROVAL OF AN NPA RELIEF PLAN FOR THE 520 NPA (DOCKET NO. T-00000F-99-0641)**

On November 8, 1999, the subject docket was opened to consider a petition requesting approval of a relief plan for the 520 area code filed by the North American Numbering Plan Administrator on behalf of the Arizona telecommunications industry. An addendum to the petition was subsequently filed recommending the Commission select the Overlay NPA method for implementation of relief in the 520 area code. Decision No. 63386, dated February 16, 2001, adopted a geographic split of the 520 area code. This Decision resulted in the existing 520 rate centers within Cochise, Pima, Pinal and Santa Cruz counties retaining the 520 NPA and implementation of the 928 NPA in other areas.

According to the most recent forecast issued by the NPA Administrator the 520 area code is not expected to exhaust until 3Q 2029. This Docket has been inactive since December 21, 2001, when the last document was filed. Therefore, Staff requests that Docket No. T-00000F-99-0641 be administratively closed.
