Re: Utilities Response to Opinion No. 2011 - 93448
Docket No. W-03912A-11-0014

Dear Sirs,

Our response to Mrs. Smith is that the figure of "around 100% increase", is not too much. That is about the percentage increase that the company got in 1999 and was actually headed by Mr. Jack Huff at that time, how ironic with all his stirring up of rumors and lies and he is not even a customer of Sunizona Water Co.. If Mrs. Smith wants to dig her own well over this asking for a rate increase I suppose she can go ahead.

Sincerely,

N. D. Bales
