Re: Utilities Response to Opinion No. 2011 - 93708
Docket No. W-03912A-11-0014

Dear Sirs,

Our response to Mr. Huff's opinion is that first of all he is not a customer of Sunizona Water Co. and was not a previous owner of the company, Welling Corp. and then Charlotte Erickson were Mr. Huff was an employee of theirs. Mr. Huff has nothing but time on his hands and has been nothing but a troublemaker for Mr. Bales. It's ridiculous for him to say that his customers don't trust him or get along with him (over this past weekend Mr. Bales went around to his customers 36 of them and NONE of them said any of this) as a matter of fact the majority of them said that " Jack should take care of his own business he doesn't have anything to do with the water company anymore, thank god". The water company doesn't charge the customers whatever he wants to, that's absurd and the billing invoices prove that. I wasn't going to respond to the Petition and Jack Huffs opinion (they were both written by Mr. Huff) but enough is enough and I couldn't not respond.

Sincerely,

N.D. Bales
