INSERT New Finding of Fact:

DOCKETED BY *MM*

“We believe that all water companies in Arizona should be required to do everything that is reasonably possible to conserve Arizona’s precious groundwater. Although we commend Bella Vista for voluntarily implementing several BMPs, we believe it is reasonable to have the Companies implement at least five BMPs in the form of tariffs that substantially conform to the templates created by Staff, available at the Commission’s website. The implementation should be accomplished by the Companies submitting at least five BMP tariffs for the Commission’s review and consideration. A maximum of two of these BMP tariffs may come from the “Public Awareness/Public Relations” or “Education and Training” categories of the BMPs. The Company may request cost recovery of actual costs associated with the BMPs implemented in its next general rate application.”

INSERT New Ordering Paragraph:

“IT IS FURTHER ORDERED that Bella Vista Water Company shall file with Docket Control, as a compliance item in this docket, within 90 days of the effective date of this Decision, at least five Best Management Practices (“BMPs”) in the form of tariffs that substantially conform to the templates created by Staff, available at the Commission’s website, for the Commission’s review and consideration. A maximum of two of these BMPs may come from the “Public Awareness/Public Relations” or “Education and Training” categories of the BMPs as outlined by the ADWR in its Modified Non-Per Capita Conservation Program and relevant ADWR documents.”
