BURNS AMENDMENT #1

0000124093

TIME/DATE PREPARED: March 28, 2011/4:45 P.M.

COMPANY: Chaparral City Water Company-Rehearing

AGENDA ITEM NO. U-21

DOCKET NO(S). W-02113A-07-0551

OPEN MEETING DATE: March 29 and 30, 2011

Page 11, Line 18, INSERT New Finding of Fact:

“Originally, the FHSD was going to supply the Company with a replacement well. The settlement agreement stated, ‘CCWC intends to use the Consideration paid by the District, as hereinafter defined to fund projects to improve CCWC’s water production, treatment and distribution system.’ We believe it is reasonable that the FHSD settlement proceeds may be considered as a Contribution in Aid of Construction for the Company’s next new well. Therefore, the Commission believes that the cost of a future well, for rate making purposes, should be offset by the company’s portion of the settlement proceeds.”

Page 13, Line 5, INSERT New Ordering Paragraph:

“IT IS FURTHER ORDERED that the Commission hereby gives the Chaparral City Water Company, Inc. notice that the cost of Chaparral City Water Company, Inc.’s next new well will be offset by its share of the FHSD settlement proceeds as a Contribution in Aid of Construction.”

Renumber accordingly and make all conforming changes
