**STAFF'S MOTION TO SUSPEND
 TIME CLOCK AND REQUEST FOR
 PROCEDURAL CONFERENCE**

On April 30, 2010, Indiada Water Company, Antelope Run Water Company and East Slope
 Water Company (collectively the "Companies") filed rate applications on a consolidated basis. Prior

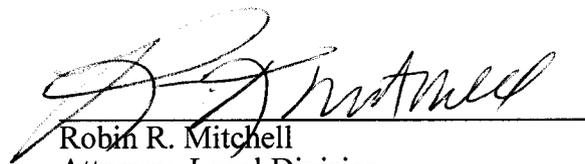

1 to the filing by the Companies, Staff was contacted and advised the Companies not to file the
2 applications consolidated because there was no Commission decision that consolidated these utilities.
3 These applications were found insufficient on May 28, 2010 for multiple reasons. Prior to the filing
4 of an amended application, the Companies filed a financing application on May 7, 2010.

5 The Companies then amended the applications and filed the amended applications on August
6 30, 2010. Staff issued a deficiency letter pertaining to the amended applications on September 27,
7 2010.

8 On March 3, 2011, Staff issued a sufficiency letter encouraging the Company to expedite
9 delivery of engineering information Staff considers essential for evaluating the financing and rate
10 applications. At that time, Staff issued new data requests in addition to the outstanding data requests.
11 The Companies' delayed response has impeded Staff's analysis and ability to produce testimony.
12 Accordingly, Staff respectfully requests that the time clock on this case be suspended indefinitely.
13 Compounding the complexities of this case, Staff anticipates a need to issue additional data requests
14 once it reviews the Companies' responses.

15 In light of the above, and because of the complexities of this matter, Staff believes that it will
16 have difficulty in preparing its direct testimony by July 13, 2011, the date set in the procedural order
17 dated March 25, 2011. Staff will continue to process this application expeditiously even if its request
18 to suspend the time clock indefinitely is granted. However, Staff would request a telephonic
19 procedural conference to discuss scheduling.

20 RESPECTFULLY SUBMITTED this 1st day of April, 2011.
