**STAFF'S NOTICE OF FILING
LATE-FILED EXHIBIT**

The Utilities Division ("Staff") of the Arizona Corporation Commission ("Commission") files the attached late filed exhibit as requested by Administrative Law Judge Sarah N. Harpring during the Hearing held April 14, 2011, wit: New Rates Effective on Billings of 02-050-09 and 02-2009, provided by the City of Avondale and Tariff Schedule of Rigby Water Company. The rates of the City of Avondale were received by Staff after the hearing herein on April 14, 2011. The information contained in that Report does not change Staff's position in regard to its recommendations herein. However, Staff would correct its testimony at hearing that the rates of the City of Avondale are lower than those of Rigby Water Company for customers using more than 10,000 gallons of water per month. Staff calculates that rates of Rigby Water Company are lower than the city's until between 5,000 and 6,000 gallons per month are used, after which Rigby Water Company's rates are less than those of the City.

RESPECTFULLY SUBMITTED this 14th day of April, 2011.
