**PUBLIC NOTICE OF
PUBLIC COMMENT MEETING
ON THE RATE APPLICATION OF
GOODMAN WATER COMPANY
Docket No. W-02500A-10-0382**

Summary

On September 17, 2010, Goodman Water Company ("Goodman" or "Company") filed an application with the Arizona Corporation Commission ("Commission") for an increase in annual revenues of \$291,083, or 50.82 percent over test year revenues. The Commission has scheduled an evidentiary hearing on the application to commence on June 14, 2011, at 10:00 a.m. at the Commission's Tucson Offices, 400 W. Congress, Room 222, Tucson, Arizona 85701.

Under the rates as proposed by the Company, a residential customer with a 5/8 x 3/4" meter, with an average monthly usage of 5,477 gallons, would see a monthly increase of \$35.46, or 53.14 percent, from \$66.73 to \$102.19. This example is for illustrative purposes only, and the actual dollar and percentage changes for individual customers would vary depending on the type of customer served, and the quantity.

The Residential Utility Consumer Office ("RUCO") and two individuals have intervened in this matter, and will be able, along with the Commission's Staff, to offer evidence and make recommendations on the application. The direct testimony of Staff and intervenors is due to be filed on March 21, 2011.

The Commission will determine the appropriate rate relief to be granted based on the evidence of record in this proceeding, and is not bound by the proposals made by the Company, Staff, RUCO, or any other intervenor. Therefore, the final rates approved in this docket may be lower or higher than the rates described above.
