RE: Docket No. SW-04210A-10-0392

Gentlemen:

This is in reference to the above docket whereby The Links at Coyote Wash Utilities, LLC has filed an application for a permanent rate increase. The residential flat rate is \$30.00 and they are requesting it be increased to \$41.60 per month. We, as residents of Coyote Wash, are objecting to this rate increase as there have been more homes built over the past year in this subdivision (which would have raised the gross income) and there are unanswered questions about the financial activities of "The Links".

Please note our objection and we sincerely hope that the Commission will deny this application for a rate increase.

Yours truly,

William and Marianna Freeman
