DOCKETED BY *[Signature]*

On March 31, 2011, the above referenced Memorandum and Proposed Order was docketed and mailed to all parties of record. However, the BMP – New Homeowner Landscape Information Tariff – Rainwater Catchment Systems was inadvertently omitted from the Proposed Order. The original Proposed Order will reflect this change (see attached omitted page).

Please note that the deadline for filing exceptions in this matter remains unchanged.

**NEW HOMEOWNER LANDSCAPE INFORMATION TARIFF**  
**RAINWATER CATCHMENT SYSTEMS**

**PURPOSE**

The purpose of this tariff is to enable the Company to promote the conservation of groundwater by making available educational pamphlets regarding how to implement a rainwater catchment system to all new customers within the Company's service area.

**REQUIREMENTS:**

The requirements of this tariff are governed by Rules of the Arizona Corporation Commission and the Arizona Department of Water Resources' Required Public Education Program and Best Management Practices in the Modified Non-Per Capita Conservation Program.

1. In accordance with the Arizona Corporation Commission ("ACC") Decision No. 71501, the Company is required to adopt and implement water conservation measures described in the paragraph above. In support of the Company's water conservation goals and the ACC decision, the Company will make educational pamphlets regarding how to implement a rainwater catchment system available to all new customers, either through direct distribution (mail or delivery) or through delivery by the home builder. The Company will also notify new customers who are owners of existing homes (resale) that information on rainwater catchment systems is available and will provide such information on request.
2. The Company shall provide to its new customers a complete copy of this tariff.
3. The number of pamphlets provided to new customers will be recorded and made available to the Commission upon request.
