RE: East Slope Water Co.
Consolidation
Docket #: W-01906A-10-0170

Our position: CON

We are opposed to consolidating the 3 water companies. East Slope Water Company serves a larger customer population who are primarily working-class customers with older and more modest homes who should not be asked to subsidize the other 2 water companies whose rates are higher.

The other 2 water companies primarily serve a small customer population in a higher-priced-home market who residents can more easily afford the higher price of water have always paid, compared to East Slope Water Co.
