Nature of Complaint:

*****OPINION - IN FAVOR OF FUNDING FOR ARSENIC TREATMENT PLANT*****

RE: Docket No. W-04254A-08-0361

Customer saw an article in the paper about the community trying to stop MRWC from constructing the arsenic plant. Customer wants the Commission to know that this has been going on for too long now and it needs to just get done. Per customer, the arsenic plant needs to be constructed so that the Company can do what they need to do to get the water clean and in compliance with State standards. Customer is in favor of this arsenic plant and has no opposition in paying a charge to recover the cost of constructing the plant.
