RE: East Slope Water Co.
Rate Application
Docket #: W-01906A-10-0171

Our position: CON

We are protesting the rate increases requested by the East Slope Water Co. The requested rate increases are exorbitant. Water is essential to life, not a discretionary spending item. Please remember that:

East Slope Water Co. already got a rate increase in the form of a surcharge of \$7.60 per customer in October 2009!

Many East Slope customers are on fixed-income budgets s or have low income jobs.

East Slope Water Co. must be required to show verifiable progress on improvements in order to justify any
