Subject: REST

Dear Commissioners,

Please keep the Renewable Energy Surcharge Tariff (REST) CAPs in Docket No. E-01575A-10-0308, at the current level as proposed by SSVEC. As a business owner in Southern Arizona, an increase in surcharges will hurt our economy and produce an undue burden on every one. SSVEC is proposing a balanced program which I support.

Respectfully,

Elsie MacMillan
President
Sierra Toyota - Scion
