DOCKETED BY *[Signature]*

Prior to and following the filing of this Application for a Certificate of Convenience and Necessity, DII-Emerald Springs, LLC (“Company”) and Utilities Division Staff (“Staff”) have worked together diligently to evaluate this Company’s unique situation. Both parties recognize that the facts and circumstances surrounding this application are unusual and that the most efficient way to address this Company’s specific needs would be the concurrent processing of a rate case. Therefore, Staff and the Company agree that the established 30-day timeline for sufficiency in this application should be waived.
