Re: *Report Regarding Layoff of AT&T Employees in Arizona Pursuant to Decision No. 68865; Docket Nos. T-02428A-06-0203, T-03016A-06-0203, T-03116A-06-0203, T-03287A-06-0203, T-03346A-06-0203*

Dear Mr. Olea,

On behalf of AT&T Inc. ("AT&T"), the purpose of this report is to provide information regarding six (6) AT&T employees located in Arizona that were given notice of a surplus condition. No facility closure was involved. This report is provided pursuant to the third ordering paragraph of Decision No. 68865.

The layoff was intended to improve efficiencies and reduce business expenses. The reduction involved six management employees in the AT&T Mobility Services organization. In an effort to redeploy the employees within AT&T, the employees retained access to the internal AT&T job search system. Two employees located another position within AT&T, one employee's employment was extended and three employees were not able to locate another position and thus were laid off. Because of an internal communications error, I was not told about the layoff notification which was given to these employees on December 28, 2010 and just learned of the layoff today, May 12. For that reason, I did not provide a confidential pre-layoff notice to you and the Commissioners. AT&T has taken steps to correct its internal process and apologizes for the miscommunication. If you have any questions regarding this report, please feel free to contact me at (512) 870-2280.

Very truly yours,
