DOCKETED BY 

Re: Decision No. 70567, Docket No. RE-00000A-07-0608  
2011 Net Metering Compliance Report

Pursuant to A.A.C. R14-2-2308, prior to May 1 of each year, each Electric Utility shall file a report:

1. Listing all existing Net Metering Facilities and the inverter power rating or generator rating as of the end of the previous calendar year;
2. For each existing Net Metering Facility, the monthly amount of energy delivered to ("Generated") and from ("Consumed") the Electric Utility and, if available, the monthly peak demand delivered to and from the Electric Utility.

Decision No. 71506 (March 17, 2010) approved Graham County Electric Cooperative, Inc.'s ("GCEC") Net Metering Tariff. Please find enclosed an original and thirteen copies of GCEC's 2011 Net Metering Compliance Report for the period January 2010 through December 2010. GCEC's 2011 Net Metering Compliance Report does not include the monthly peak demand delivered to and from the Electric Utility, as this information is not readily available for GCEC's Member/Customers participating in its Net Metering Tariff.

Please contact me if you have any questions.

Sincerely,

Than W. Ashby  
Office Manager  
Graham County Electric Cooperative, Inc.  
928-485-2451 Ext. 8657
