DOCKETED BY

in regards to: Ceder groves water Co. Showlow AZ #01049

Concerning Rate Increase.

Ceder groves rates have been low and I believe a rate increase is in order. But a 95% Increase is way to drastic. I would be more in line with a 20-25% increase as there Short Fall last year was 12%. Of the rate increase there asking for.

I believe also that they are very high on cost of installation for new services (like pipeing) as market is Depressed for sales.
