Subject: Re: Cerbat Emergency Rate Case

Mr. Gill:

Ref: Docket No. W-02391A-10-0218 and
W-02391A-11-0166.

I received a notice of proposal from Cerbat Water for a \$10.00 surcharge, forever, which is very wrong. We, the customers, should not be responsible for a company that does not know how to manage their funds. I thought they were supposed to separate the funds from their trust?

Your Public Notice of the hearing of the increase of water from \$25.54 to \$38.78 is too much but, the \$25.54 to \$26.02 per month, I think the customers could handle.

I hope the commission will look at the proposals and come to a fair agreement.

I would appreciate it if you would please pass this email on to Mr. Gary Pierce.

Thank you
Gilbert D. Stouffer
