RE: Docket No. C-00000A-10-0393

On September 30, 2010, Staff filed a Complaint against various utilities for failure to file the 2008 Utilities Division Annual Report. On April 7, 2011, the Arizona Corporation Commission ("Commission") issued Decision No. 72239, an Opinion and Order against the remaining named utilities that had yet to comply with the filing of their 2008 Annual Report. Per the Decision, Staff was directed to update the Docket if any of the Respondents file their Annual Report. The following companies have filed their 2008 Utilities Division Annual Report with the Commission. Therefore, Staff recommends that these utilities be dismissed from the fines and revocation of their Certificates of Convenience and Necessity per Decision No. 72239.
