FROM Andrew Miska

Mr. Miska called very upset with APS and their 5th increase in 5 years. They were told on the last increase they had to wait 17 months, it is exactly 17 months to the day. He is at the disposal of APS. APS is not like an insurance company where you can change and go to another one for better rates. He said it would not be so bad if there were not so many increases in such a short time frame. Begging you Commissioners please say no. He and others are at your mercy. Mr. Miska said he will try and attend the hearings. Thank you.
