Dear Sir or Madam:

The attached Qwest Corporation Tariff Maps are being filed to expand a portion of the Phoenix Base Rate Area and to reflect changes that have been made to the boundary between the Buckeye Wire Center and other wire centers within the Phoenix Metropolitan Exchange.

The Base Rate Area is being expanded to include the western half of sections 9, 16, and 21 in Township 1 North, Range 2 West. Most of the adjacent portions of these sections have been transferred from the White Tanks wire center to the Buckeye wire center. Therefore, without this change, the new developments that are planned for these sections would be divided between Base Rate Area for customers living in the eastern half of these sections and Zone 2 for customers living in the western half. A small number of customers who are currently located in the western half of these sections will be converted to Base Rate Area.

In addition, the Base Rate area is being expanded to include Section 36, Township 2 North, Range 3 West, which has been transferred from the Buckeye Wire Center to White Tanks. There are currently no customers in this section.

Qwest Corporation respectfully requests an effective date of December 20, 2006 for these pages. Please contact me directly if you have any questions concerning this matter.

Sincerely,

Reed Peterson
