Re: Notice of Violation issued to Truxton Canyon Water Company – Public Water System #08-035

Dear Mr. Neal:

The Arizona Department of Environmental Quality (ADEQ) and Truxton Canyon Water Company (Truxton Canyon) entered into Consent Order DW-02-11 on January 10, 2011. Based on ADEQ records, Truxton Canyon has not fulfilled all requirements associated with the Order. Attached is an Administrative Notice of Violation (NOV) which serves to put Truxton Canyon on notice of the missed deadlines.

The Administrative NOV puts Truxton Canyon on notice that the Department believes a violation of Consent Order DW-02-11 has occurred. It describes the facts known to ADEQ at the time of issuance and cites the requirement that ADEQ believes the party has violated.

The Administrative NOV provides Truxton Canyon an opportunity to do any of the following before ADEQ takes further action: (1) meet with ADEQ and discuss the facts surrounding the violation, (2) demonstrate to ADEQ that no violation has occurred, or (3) document that the violation has been corrected.

Please know that in accordance with Part V (A) of Consent Order DW-02-11, if Truxton Canyon violates the terms of the Order, Truxton Canyon is subject to penalties, pursuant to A.R.S. § 49-354.

Should you have any questions regarding this Notice, or would like to schedule a meeting, please do not hesitate to contact me at (602) 771-4651 or Vivian Burns of my staff at (602) 771-4608.
