DOCKETED BY

*DRS*

On April 8, 1997, Staff filed a Memorandum and Proposed Order in Docket Control regarding the Arizona Universal Service Fund Surcharge. This Docket was erroneously docketed under a new docket number (No. R-0000-97-137). The Arizona Universal Service Fund Surcharge is the funding mechanism for the Arizona Universal Service Fund. The Commission adopted rules that established the Universal Fund mechanism on March 24, 1996 (Docket No. R-0000-95-498).

Therefore, the item regarding Arizona Universal Service Fund Surcharge filed on April 8, 1997, should bear the same docket number as the original rule docket; and that is R-0000-95-498. Please make the appropriate changes to the Commission's docket file. If you have any questions or concerns please feel free to give me a call.
