To Whom it May Concern,

This letter is to request that our names be added to the Universal Service List, Docket Number R-0000-97-137. We own a 15-acre parcel at Crossroads Ranch, located 22 miles outside of Prescott, and are anticipating moving into our new home at the end of August 1997. We have a 2-year old son and desperately need phone service, which we understand US West does not have the authority to provide at this time. We are sending this letter to relay our concerns and emphatically request that this issue be resolved quickly.

Thank you for your assistance,

*Scott E Lipka*
