Re: In the Matter of the Application of Arizona Public Service Company for Approval of Version 12 of Service Schedule 3 and Agreement Concerning Same;  
Docket No. E-01345A-11-0207

To Whom It May Concern:

On May 20, 2011, Arizona Public Service Company ("APS" or "Company") filed Version 12 of Service Schedule 3 (Line and Service Extensions), as well as an associated Agreement among the Company and various interested parties, with the Arizona Corporation Commission ("Commission"). By its terms, the Agreement does not become effective until affirmatively approved by the Commission. Similarly, Version 12 of Schedule 3, even when approved by the Commission, would not become effective until the conclusion of APS's pending general rate case in Docket No. E-01345A-11-0224. Consequently, APS does not believe the thirty (30) day periods referenced in either A.R.S. Sections 40-367 or 40-250(B) are relevant to this Application. However, to avoid any potential confusion on this point, APS expressly waives any applicable time requirements of those statutes.

Sincerely,

Thomas L. Mumaw
