Nature of Complaint:

Docket No. W-20541A-11-0199

I recently received notification that the above water company has filed a request to increase rates 95%.

As far as Service Line and meter installation charges, I have no problem with the requested increase. However, increasing the monthly by 95% seems extremely excessive. The paperwork shows the company had an operating loss of \$19,839.00, but is requesting an increase that would give them additional revenues of \$160,564.81. I feel a monthly increase may be warranted, but not 95%.

I have four properties that would be affected by this increase:

Sincerely,

Pamela Watson
