**RE: Potential Reinstatement of TEP's Historic Line Extension Tariff**  
**Docket Nos.: E-01933A-07-0402, E-01933A-05-0650, and E-00000J-10-0044**

Dear Chairman Pierce:

It has come to our attention the Corporation Commission is considering modifications to Tucson Electric Power's line extension policies. The current policies have presented significant challenges for real estate and development companies like ours. The additional costs have made bringing new subdivisions online difficult and in some cases nearly impossible. We strongly encourage you to move quickly to reinstate TEP's line extension policies.

Sincerely,

Rick Price
