Re: Docket Nos. W-02391A-10-0218 & W-02391A-11-0166

Docket Control,

This letter shall serve as the report requested by the Commission (Docket Nos. W-02391A-10-0218 & W-02391A-11-0166) stating the amount collected through the Emergency Water Purchase Surcharge and the amount paid to the City, no later than 30 days after its well pump has become operational or its current emergency ceases. To date there has been no money collected through the Emergency Water Purchase Surcharge as Cerbat employees are in the process of reading Customer meters and calculating the individual surcharge. The total amount of water purchased from the City of Kingman is 1,000,000 gallons at a total cost of \$3325.00. This is the total amount of water purchased in relation to the mechanical failure of the water pump on May 26<sup>th</sup>, 2011.

Respectfully,

Rick Neal  
Interim Manager  
Cerbat Water Company
