RE: Truxton Canyon Water Company; Docket No.: W-02168A-10-0247

Dear Colleagues:

On June 16, 2011, Truxton Canyon Water Company ("Truxton" or "the Company") filed an application for rehearing of Decision No. 72386. This matter was an enforcement action that appeared to have been resolved through a stipulation by the parties. In short, Truxton agreed to remedy certain problems with its system; the Company further agreed to the appointment of an interim manager if it failed to address these problems according to an agreed upon schedule.

By this letter, I am asking that Truxton's application for rehearing be placed on the next Commission Staff Open Meeting agenda. I do not know whether I will support the Company's rehearing request, but I do know that I would like to discuss this request with my colleagues. This is especially so in light of the Company's claim that it signed the stipulation under duress and perhaps believes that it may not be subject to some or all of the stipulation's terms. Under these circumstances, it may be appropriate to consider granting the rehearing request, vacating Decision No. 72386, and remanding the matter to the Hearing Division for further proceedings.

Because the due date for granting rehearing is July 6, 2011, I would ask that this matter be placed on the next Commission Staff Open Meeting agenda as soon as possible so that we may consider granting the rehearing request to allow for our further consideration.

I look forward to discussing this matter with my colleagues, as it will be helpful to me in my full consideration of this matter.

Sincerely,

Bob Stump  
Commissioner
