DOCKET CONTROL

We are concerned customers of Mirabell Water Company in Tucson, Arizona who have just received a notification of rate changes.

Some of us are retired and others on disabilities all with fixed incomes. At this time with such a bad economy, we find that a significant rate increase of 68% like they are propsoing will be a hardship on us all.

Before a decision is made, we feel that a hearing should be held in Tucson so all Mirabell customers have the opportunity to voice their concerns!
