Nature of Complaint:

Docket No. SW-04305A-09-0291

Customer is not happy that he has to pay for a minimum monthly sewer fee despite the fact that his home is currently unoccupied. Customer believes that sewer fees should not be any different from the other public utility fees. If you are not home then you should not have to pay a fee for simply being hooked up to the system. Customer is not happy with how this tariff was set up by the Commissioners and staff for Coronado Utilities.
