Here is the message we talked about. We are having an LD9 meeting on the 21st (third Thursday every month) and we may be discussing this. I want to know how this is going to affect people and why Mr. Pierce, Ms. Burns and/or Mr. Stump think this is necessary...if they do. Better still, if they can discuss it, their stance on this and why.

It would be nice to have your response, but we will discuss it either way. Please forward this to Ms. Burns and Mr. Stump's staff.

CALL NOW -- EMERGENCY

AZ CORPORATION COMMISSION

RAISING YOUR GAS AND

ELECTRIC BILLS AGAIN

!!!!

Apparently, we just give new names for FEES and TAX HIKES so the people don't know what is going on!!! We NOW "decouple" so we can charge additional fixed fees!

The Arizona Corporation is considering a utilities and gas companies "decoupling" system. For instance, "APS would collect a certain amount of revenue PER CUSTOMER regardless of how much energy was sold. Decoupling would allow the utility to raise its rates to cover fixed costs regardless of energy demand. Our utility money is being used to subsidize other peoples solar projects now. Call the Corporation Commissioners and tell them: NO DECOUPLING SCHEME. NO MORE RATE HIKES. NO MORE SUBSIDIZING SOLAR PROJECTS. NO MORE FOREIGN COMPANIES SETTING UP SHOP IN AZ. AS CHINESE AND SPANISH SOLARS ALREADY ARE. Gary Pierce, chairman 602-542-3933. Paul Newman 602-542-3682. Brenda Burns 602-542-0745. Bob Stump 602-542-3935. Sandra D. Kennedy 602-542-3625.
